Review the items in your cart to confirm your textbook selections, formats, quantities, and prices. Use **Edit** or **Remove** to make changes, then click **Begin Checkout** to continue. Any applicable tax and shipping charges will be calculated during checkout.

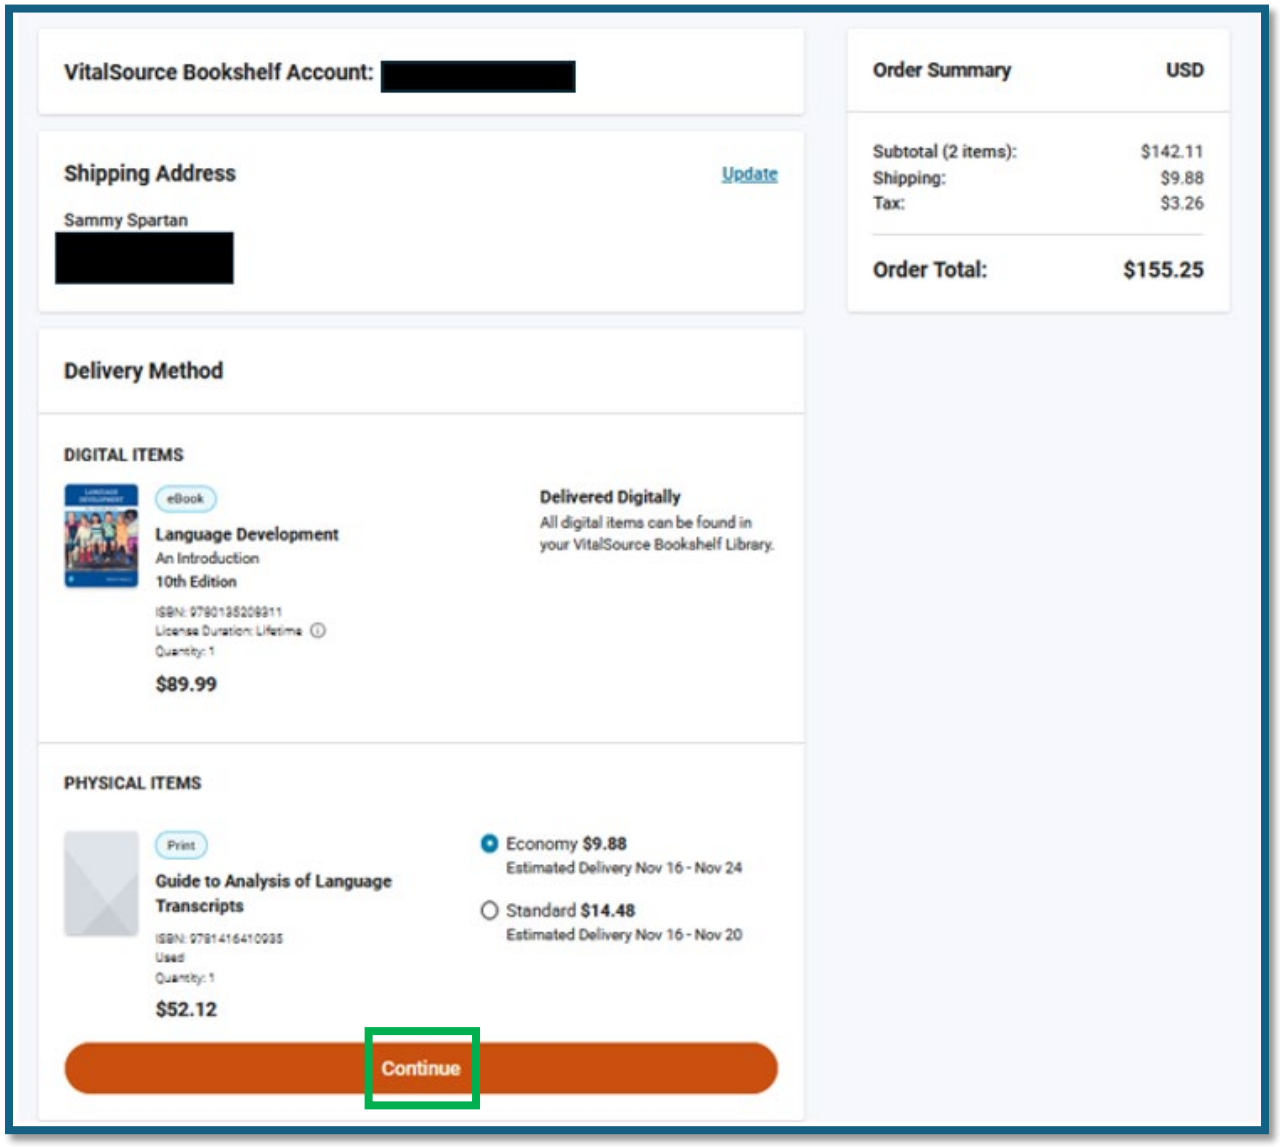

Select **Enter an Address** for delivery to your preferred address, or **Choose a Campus Address** to have your print materials shipped to the **Aurora University Bookstore in Dunham Hall** for pickup. Confirm your selection, then click **Continue**. eBooks will be delivered digitally through your VitalSource Bookshelf account.

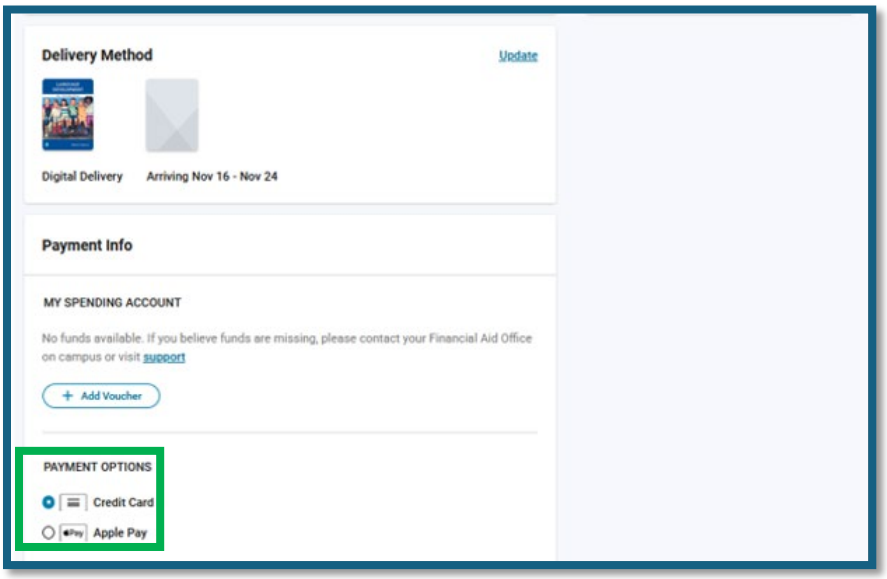

Shipping charges and applicable tax will update automatically based on the address you enter. Confirm your shipping address and review the updated **Order Summary**, then click **Continue**.

Select a shipping option for your print textbooks, reviewing the cost and estimated delivery dates, then click **Continue**. Digital items will be available in your **VitalSource Bookshelf library**.

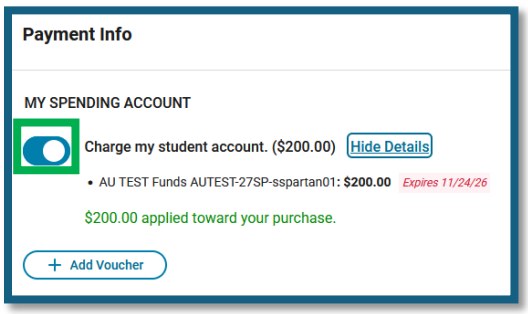

Review **My Spending Account** for available funds, or click **Add Voucher** if you have a voucher code. You may also select another payment option, such as **Credit Card** or **Apple Pay**.

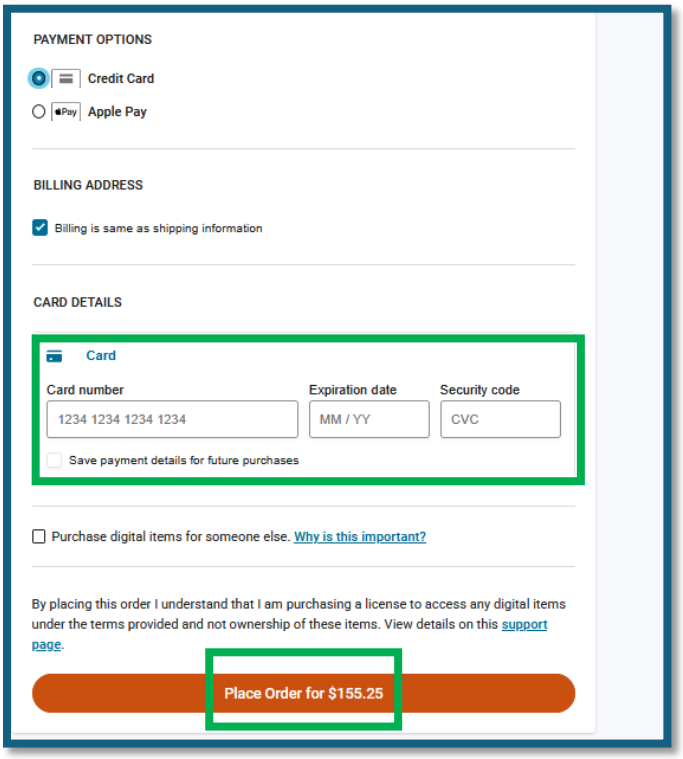

To request use of available **financial aid funds** toward your course materials, complete all sections of the Bookstore Voucher Request. **You may submit your request at any time; however, vouchers will not be available until the upcoming term's billing and financial aid funds are reflected on your student account and your eligibility is confirmed.** Once these requirements are met, please allow up to **48 business hours** for review and processing. You will receive an email at your **AU student email address** when your voucher is ready to use.

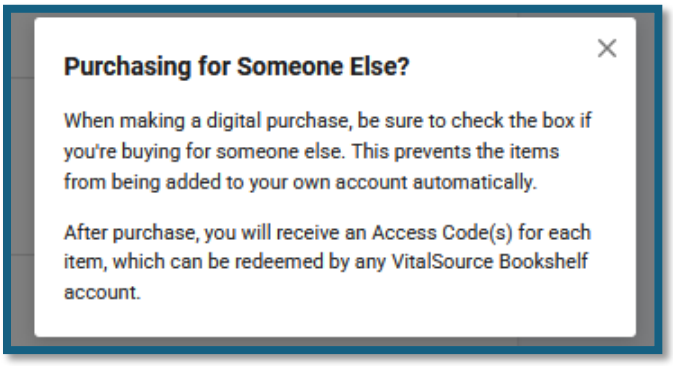

Approved financial aid voucher funds appear under **My Spending Account** near **My Cart**. At checkout, turn on **Charge my student account** to apply funds and review the amount applied and expiration date. The amount used will be **charged to your student account**.

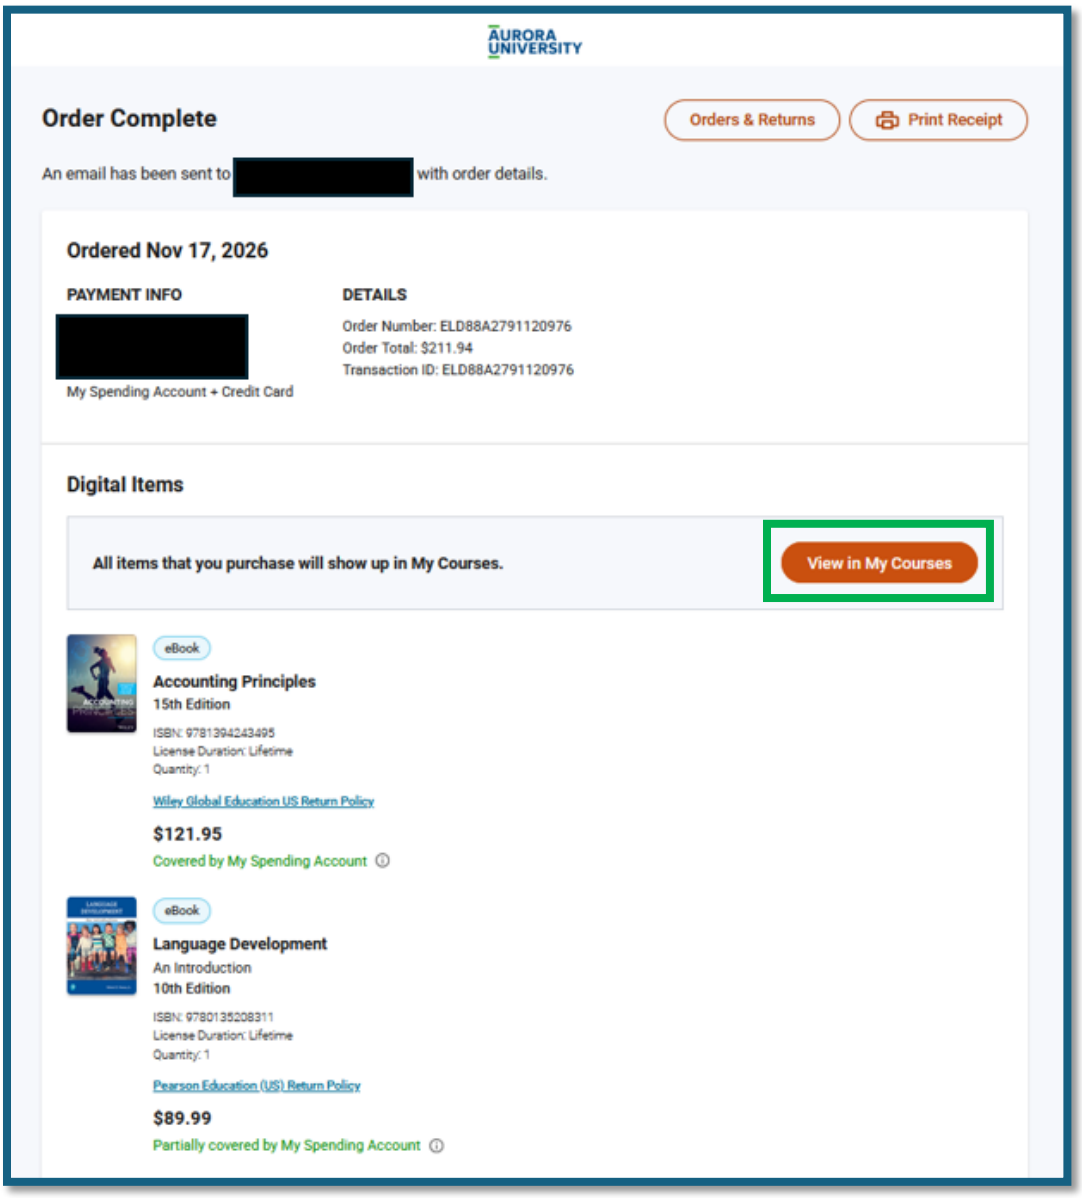

Select your payment method and confirm your billing address. If paying by credit card, enter your card details. For digital items intended for your own use, leave **Purchase digital items for someone else** unchecked. Select this box only when purchasing for another person so you receive access codes for them to redeem.

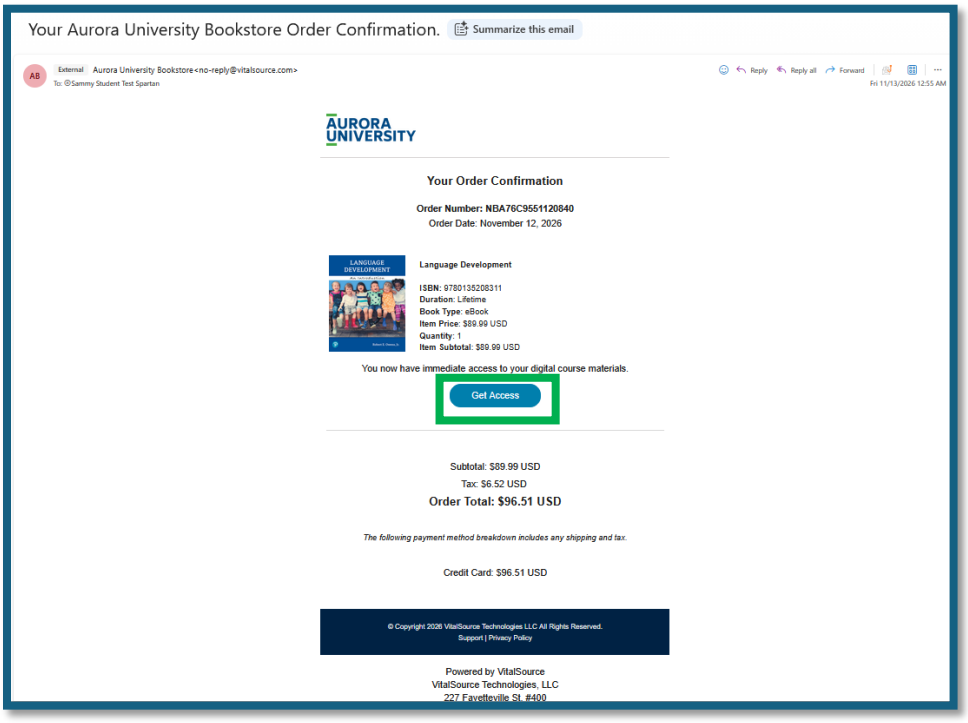

Review your order total, then click **Place Order** to complete your purchase.

After placing your order, you will see an **Order Complete** page and receive an email with your order details. Click **View in My Courses** to access your purchased digital materials. You can also select **Print Receipt** to save a copy for your records.

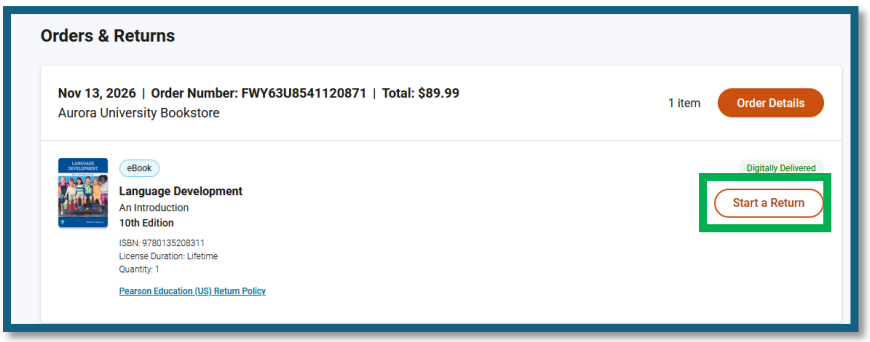

After placing your order, you will receive an **order confirmation email** with your order number, purchased items, total, and payment details. Keep this email for your records. For digital materials, click **Get Access** to open your content.

Your purchased eBooks will appear under **My Library** in VitalSource Bookshelf. Click a book cover to open it and begin reading. If a title is missing, check whether you need to redeem an access code and confirm you are signed in with the email address used for your purchase.

Your eBook will open in the Bookshelf reader. Use the **table of contents** on the left to jump to a chapter or section, or use the **page scroller** at the bottom to move through the book. Click the **bookmark icon** to save your place. Select **Back** in the upper-left corner to return to your library.

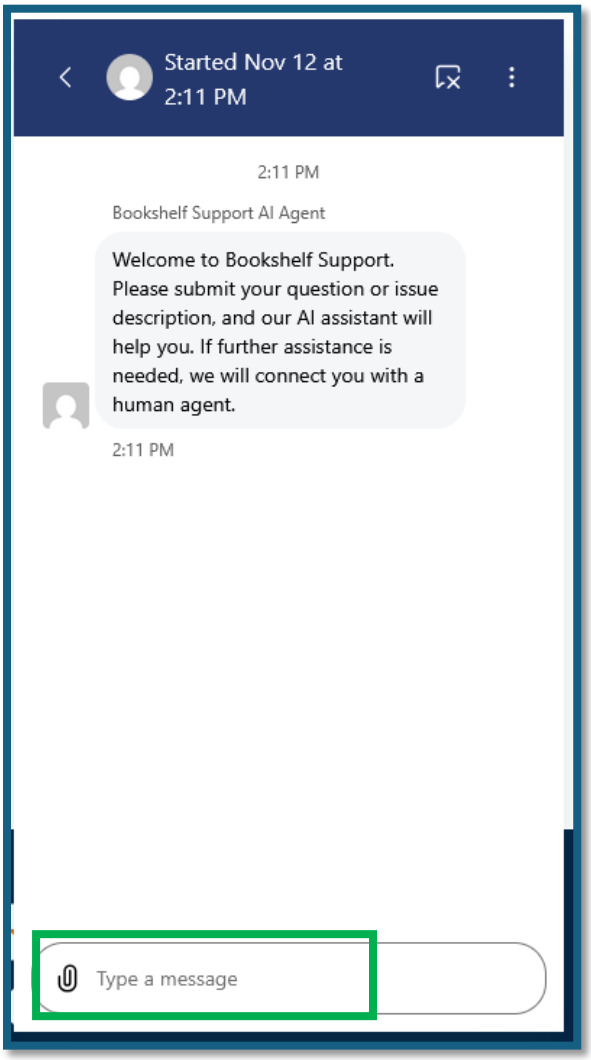

New to VitalSource Bookshelf? Watch the Getting Started with Bookshelf video for an introduction to using Bookshelf for your digital course materials.

- **Navigate easily:** Jump to chapters or specific pages, use the page scroller, and bookmark pages for later.
- **Search your materials:** Find keywords across your library or within an individual eBook.
- **Highlight and take notes:** Mark important passages and add notes alongside the text.
- **Create flashcards:** Turn passages into flashcards, organize study decks, and quiz yourself.
- **Share highlights:** Choose which highlights to share with others and manage access.
- **Customize your reading experience:** Adjust fonts and switch between day and night modes.
- **Listen with Read Aloud:** Have your course material read aloud.
- **Study offline:** Download materials through the mobile or desktop apps and access your notes, highlights, and flashcards across devices.

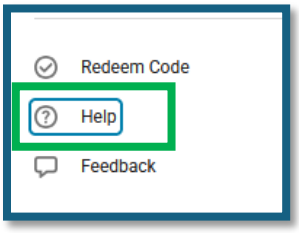

Additional Bookshelf Support: How To's

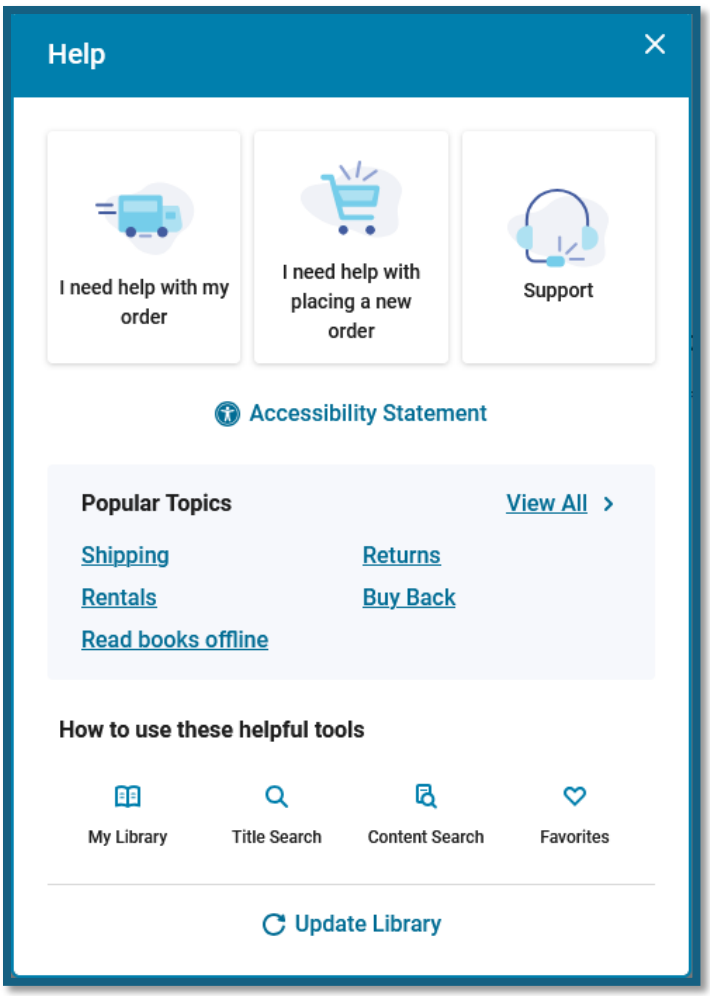

Click the **chat icon** in the lower left corner to open Bookshelf Support, then type your question or describe your issue. An AI assistant will help you get started and connect you with a human support agent if additional assistance is needed.

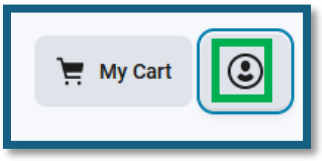

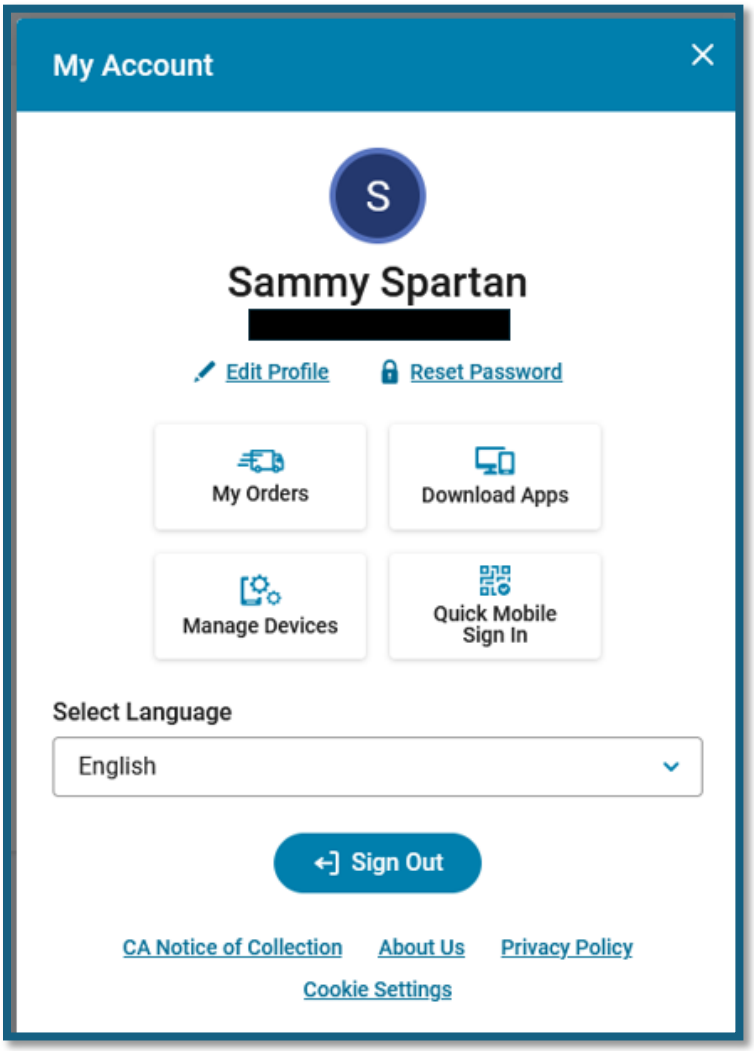

Click **Help** in the lower-left menu for assistance with an existing order, placing a new order, or using Bookshelf. Find quick links to **Shipping, Returns, Rentals, Buy Back,** and **Read books offline**, or select **Support** for additional help.

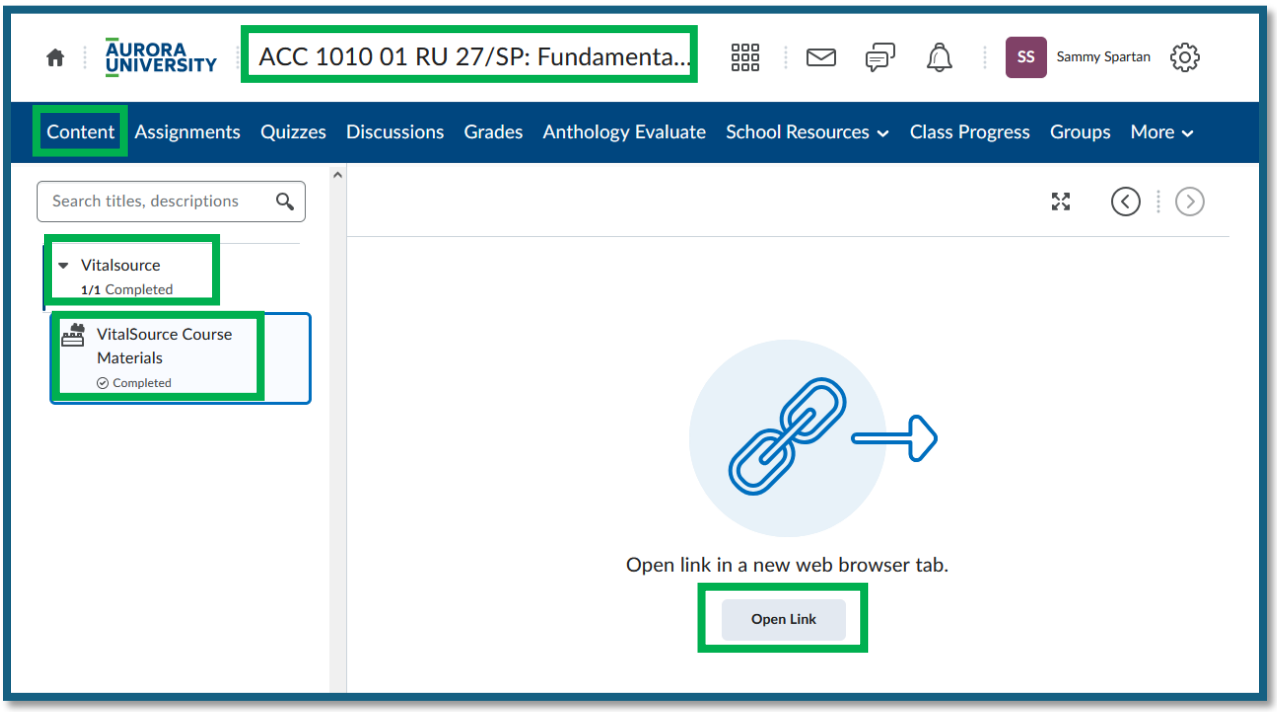

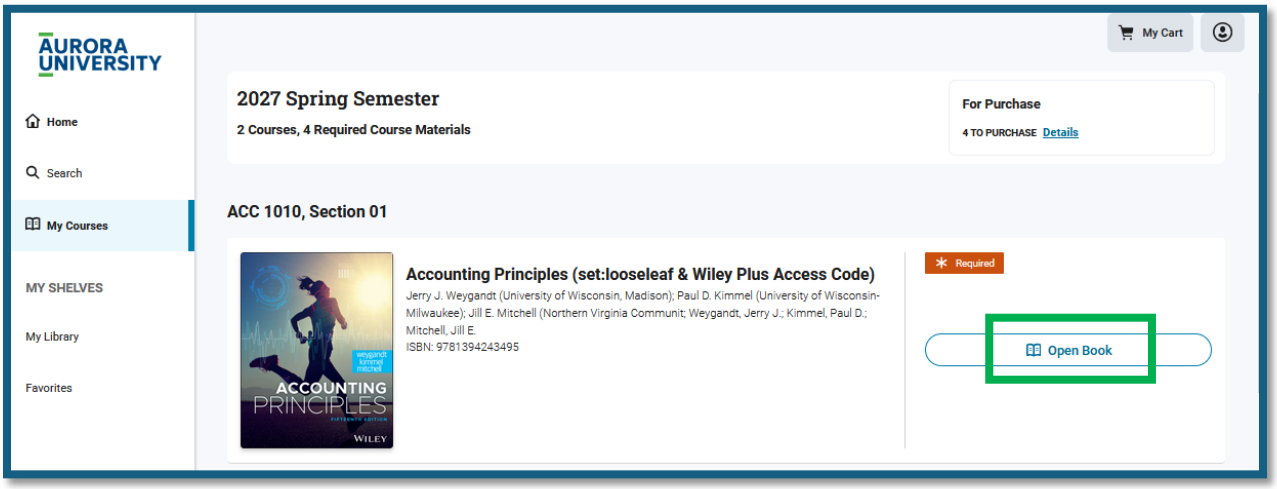

Click the **person icon** in the upper-right corner next to **My Cart** to open **My Account**. From here, you can view and track orders, edit your profile, change your language, download Bookshelf apps, manage devices, or use **Quick Mobile Sign In**.

Within your Brightspace course, select **Content**, then **VitalSource Course Materials**. Click **Open Link** to open your VitalSource **My Courses** page in a new browser tab, where you can view your courses and course materials.
